Record-Breaking, Controversial Warrant Faces Town Meeting

Selectmen and Town Mgr.

Request Department Of Planning Here

As residents, we are all concerned with the increasing tax rate. At the same time, we must also stop and ask why this is happening and what can be done to prevent this continual rise.

To accomplish this, the Selectmen and the Town Manager have after considerable discussion concluded that a new department of planning and community development should be created to develop and implement programs which will attempt to strengthen Arlington's position as a desirable residential community and to broaden Arlington's tax base.

In recent years, we have developed a comprehensive plan for the entire town as well as a specific plan for our central business district. To date, too little has been done to implement these plans. We

of little value to develop plans if these plans are not implemented. Consequently, it is our intention in creating this new department of planning and community development to combine the department which is essentially involved in planning with those departments which play a significant role in implementing those plans.

Essentially, our proposal attempts to reorganize the planning and inspection departments into a single unified department which would oversee the operation of several functions. These functions would include: planning, zoning administration and code enforcement. The department will consist of two divisions, an inspection division to conduct enforcement of housing, building, plumbing and

Some Warrant Highlights

- Listed here are some of the highlights of the Town Warrant not covered in other stories in this week's issue:
- A request to amend the Town Manager Act limiting the Board of Selectmen to three terms.
 - Appointment of an Election Officer Review Committee.
 - A request to cut the size of the School Committee from nine to seven members.
 - A requested appropriation for refuse disposal facilities.
 - Request for appropriation in connection with using Brook Park for sanitary fill purposes.
 - Request for appropriation in connection with using the Magnolia st. area for sanitary fill purposes.
 - Request to raze the former Center R.R. Station and create a parking area at location.
 - Grant permission to the Selectmen to negotiate with property owners in general area of former R.R. Station in connection with one large parking lot.
 - Request for referendum at next Town Election in connection with Selectmen's salaries.

Personnel Board Articles

The Arlington Personnel Board in addition to the fire-police pay increase requests inserted the following articles on this year's Town Warrant for Town Meeting:

- Reallocation from Grade AG 10 to AG 11—Moth Supt. of Town Hall grounds.
- Reallocation Assistant Supt. Fire-Police Signal from Grade AG 13 to AG 14.
- Reallocation of Junior Accountant from AG 10 to AG 11.
- Reallocation of Milk and Sanitary Inspector from AG 10 to AG 11.
- Requested a change in classification of the head librarian

from LS 6 to Library Director LS 6.

Deleting the position of Executive Secretary of the Board of Assessors and changing to Assistant Assessor—Grade AG 16 to AG 17.

Reallocation of Traffic Signal Maintenance man from MC 8 to MC 9.

Another article would add to the town employees a budget officer (part time); an Assistant Supt. of Building Maintenance AG 14; and working foremen of tree climbers and also a working

(Continued on Page 2)

What could prove to be the most controversial of all Town Meeting Warrants was closed by the Board of Selectmen Monday night at 7:15 p.m., but not before a record-shattering 113 articles and two referendum questions had been inserted by officials and voters of the town.

Included were eight articles requesting pay increases for fire, police or town employees.

The Personnel Board under one article requested a seven per cent increase in salary for police personnel and under another asked for a similar pay hike for fire dept. personnel.

The Town Manager in another article requested a seven per cent pay increase for town employees excluding fire and police personnel.

The Finance Committee in three separate articles requested five per cent pay increases for fire, police and town employees.

Ten registered voters inserted an article asking an \$800 across the board salary increase for town employees, while a 10 per cent across the board increase was requested in another article for fire and police personnel.

Other articles inserted include a request for an amendment for the publishing of all town valuation of real estate property.

Acceptance of a gift from the Edward A. Bailey estate for scholarships to the U. of Mass.

Requested appropriation for precinct revision.

Acceptance of sub-section C, Section 77, Chapt. 32 of the General Laws relative to pensions.

Acceptance of 90C, Chapt. 32 of the General Laws relative to increases in retirement payments for former town employees.

Would Rename "Res" Field

Requested amendment to

the Board of Health Articles, Section 5, Article 10.

Requested amendment to by-laws—Council on Aging.

Request to create a Capital Budget Committee.

Taking of land on Water st. for access to new playground.

Several articles relative to sewer, water, storm drains, sidewalks and edgestone.

Articles on Chapt. 90 and Chapt. 616 streets.

Appropriation for modernization of traffic signals and the installation of a new signal at Highland and Eastern ave.

Appointment of a Middle Belt Study Committee (relative to Rt. 3).

Appointment of a Drug Action Committee.

Appointment of a Teen-Age Youth Committee.

Request for construction of four streets and appropriation for the same.

(Continued on Page 15)

Insert Articles For School Plans

A request for \$250,000 for plans and specifications for a new junior high school highlights several articles relative to Arlington schools inserted on this year's Warrant.

A sum of \$50,000 is requested for plans etc. at the Junior High East and another \$60,000 at the Junior High West.

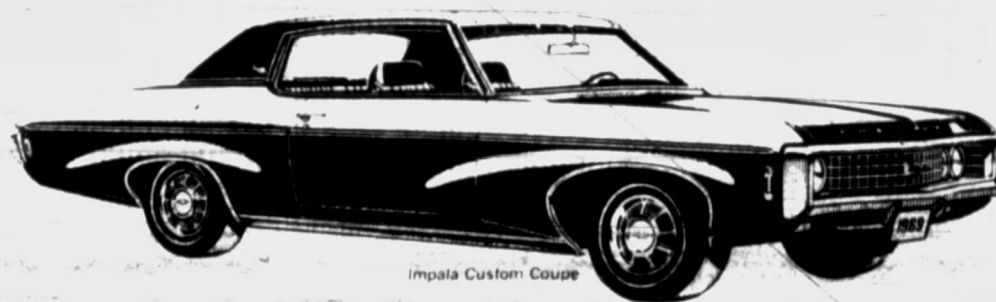

A request is also made to transfer Park land on Summer st. to the School Committee.

Also requested is the appointment of a permanent Town Building Committee and the appointment of a School

During Jaycee Week

The headquarters of The United States Jaycees is in Tulsa, Oklahoma.

The Jaycees is a civic organization working for community betterment open to all young men 21 through 35 years of age.

Wendell E. Smith, Plymouth, Michigan, is President of The United States Jaycees.

The first Jaycee organization was formed in October of 1915 at the Mission Inn, St. Louis, Mo.

Jaycees, now more than a quarter of a million strong, work for community betterment in 6,300 communities in the nation.

The 48th annual convention of The United States Jaycees will be in Louisville, Kentucky next June.

There is no official connection between the U. S. Chamber of Commerce and The U. S. Jaycees, formerly the U. S. Junior Chamber of Commerce, but the two organizations cooperate in many instances.

The Arlington Jaycees were chartered in January of 1967.

The Mass. Jaycees consist of representatives of the 112 local Jaycee chapters in the Commonwealth.

That Man About Town

B. MAT

The Warrant is closed. And just in time.

A record-breaker it is. The Boss had all the facts and figures to write about at home, but poor MAT only got a quick look.

But 113 articles . . . ?

More on that Warrant after the Boss has had a chance to do his writing.

With Saturday as the final date to file papers for office in the March Election, there are four precincts with less than enough candidates running for the number of vacancies in the contest for Town Meeting members.

Overall a total of 11 candidates are seeking 89 Town Meeting seats, but only two candidates were running for three year terms in precinct 1 and only five for six seats in precinct 13.

There are no candidates for one year vacancies in precinct 7 and a like number in precinct 14.

Maybe by the time this paper is being read by Arlingtonians, this situation will be changed, but why, MAT asks, "isn't there more interest, en-

thusiasm, to seek these Town Meeting seats as was once the case?"

Going back to last week . . . Glad to see the School Committee voted to allow the "guys and gals" to be comfortable during the warm months of the school year.

There has to be rules and regulations in these matters, but a comfortable student, it would seem, can get the job done better than one not so comfortable.

The question of the week? How much more will the school committee vote to cut from its budget?

TWO ON REFERENDUM
The Annual Town Warrant containing some 113 articles also has two referendum questions.

One is in connection with a 42-hour week for firemen.

The second is in connection with the return of dividends received by the town in connection with insurance to employees.

An Indianapolis veteran received the seven millionth G.I. home loan in December 1968.

Under another Personnel Board article the present dog officer would be granted a four calendar week vacation.

The Personnel Board under another article requested that the date of application be moved up from Nov. 1 to Oct. 1. This would be an amendment to the town by-laws.

Another amendment would make police officers with six months' service eligible for vacation on Jan. 1 or if not, on the anniversary of one year on the force.

Another Personnel Board article would split the present PF classification of fire-police into two separate classifications.

Other articles relative to Town Employees not otherwise listed include:

A request by the Town Manager for five weeks vacation for employees having been employed by the Town for 25 years.

Request for reclassification of the Executive Secretary of the Board of Selectmen from AG 17 to AG 19.

Request for a cost of living increase for employees now receiving more than maximum in grade.

Request for a 15 cents per hour increase for those employees working from 4 p.m. to midnight and a 20 cents per hour increase for those working from midnight until 8 a.m.

Request for an amendment to the Town by-laws granting an automatic 15 days of sick leave as of Jan. 1 for employees.

Request for a four week vacation for employees with ten years' service.

Philharmonic Plans Concert

The Philharmonic Society of Arlington will present a Youth Concert, conducted by John A. Baviachi, Jan. 26, at 3 p.m. in the Arlington High School auditorium. Performed by the Society's Orchestra, the concert will include Bizet's L'Arlésienne Suite No. 1 and portions of Schubert's Symphony No. 3.

The main work on the program will be Vieuxtemps' Violin Concerto No. 4. Soloist for this work will be Lynn Chang, fifteen-year-old winner of the Society's 1968 Young Artists' Competition.

Also featured will be a suite for percussion instruments, The Princess and the Thief, by Royal Jones, the head of the percussion section of the Society's Orchestra.

Tickets will be available through the Arlington PTA at each elementary school in Arlington, Jan. 23 and 24.

Tickets will also be available at the door the day of the concert. Parents will be admitted free when accompanied by children.

BABSON'S POINT OF VIEW

LABOR PROBLEMS FACING NIXON

Babson's Reports, Inc., Wellesley Hills, Mass., January 23—Many labor bigwigs were dead-set against Nixon before the elections; some still look upon him with undisguised suspicion. Now that the White House is his, most union leaders have adopted a watchful-waiting attitude and are ready to give the new Chief Executive the benefit of the doubt until he proves himself.

CAMPAIGN PROMISES

Actually, union officials don't expect Nixon to seek anti-labor legislation, if only because of their confidence in the strength they hold over Congress. They do, however, want to see whether or not he will stick to his pre-election claims.

While campaigning, Nixon made statements in support of free collective bargaining. They were neither pro-business nor anti-labor promises, but many unionists responded warily. The then-candidate said that he did not approve of the government's sitting in at every bargaining table. That if he were elected there would be a hands-off approach toward union negotiations. The federal government would step in only if the health or safety of the nation were endangered or if existing legislation—such as the Railway Labor Act—required.

GOVERNMENT'S ROLE NEUTRAL

If the government were forced to take part in bargaining at any time, he guaranteed absolutely unbiased intervention with no favoritism for either management or labor. Nixon appears sincere in his labor pronouncements, and those closest to him expect him to follow through. One touchy issue: The need for early action on strikes of public employees. Few insiders doubt that legislative proposals will soon be drafted for resolving disputes affecting state and city workers.

Laborites are anxious to see what, if anything, the new President will do to checkrein wage-price inflation. Both Nixon and his Labor Secretary appointee George Shultz have expressed skepticism about the effectiveness of guideposts. Neither labor nor employers are likely to pay much attention to the retiring Johnson Administration's swan call asking unions to hold the pay-rise ceiling for 1969 below 5% and management to keep profits in line with the 1967-68 average.

BREATHING FOR NEW ADMINISTRATION

There are some factors working in Nixon's favor which could give him time to settle into his berth in Washington for a while before having serious labor problems forced upon him. For example, multi-year contracts are now in effect for such key lines as steel, autos, trucking, bituminous coal, telephones, rubber, and aerospace.

During the year just ahead, close to five million employees covered by big agreements were engaged in negotiations, many in pattern-setting fields. But in 1969 only 2.7 million big-contract workers will be facing expiration or wage reopening. Most 1968 agreements will run until 1971, almost all at least until 1970.

WALKING A TIGHTROPE

There will, however, be some situations that could come to a head this year and reveal the stance of the new Administration. Perhaps most threatening are the deadlines for railway engineers, shop workers, and road employees. Also, beginning at midyear, seagoing workers in the maritime industry will have a number of expiring contracts to argue out. Construction could well breed more trouble as contractor employers try to hold down labor costs that have soared so spectacularly that building has been curbed and pay differentials with other union groups have been substantial.

AFL-CIO President George Meany was summoned by citizens of all political persuasions to support responsible efforts of the new Administration to meet the problems of our time. Should President Nixon be placed in a position where he would feel he had to side against the unions on a fundamental labor issue, a flare-up against him on the part of the Federation and other union groups would be instantaneous. It will be an interesting tightrope that Nixon walks during 1969, with the eyes of all union and pro-union leaders upon him.

A GOOD RESPONSE

Often over the years, new advertisers or long-time advertisers will ask, does your paper really attract customers.

Well every once in a while, we have someone call us and inform us just how well our paper does.

Last week and advertiser inserted a classified advertisement in the Advocate's "apartment for rent" section.

In a one and one-half hour period she received 35 calls. The phone was still ringing after she went to bed.

DID YOU KNOW?

An article inserted in this year's Town Warrant asks for a change in the Town by-laws, Section 5, Article 9 which now only allows baby carriages to travel on the sidewalks of the community.

The requested change would also allow some sizes of bicycles and tricycles the right of travel.

Friday morning ten more calls were recorded.

Laws Adopted By TMA Association

Adoption of by-laws was completed at a special meeting of the Arlington Town Meeting of Association, held last week.

Fourteen articles, voted by the membership to be known

as Charter By-laws, are titled as follows:

1. Name
2. Purposes
3. Membership
4. Dues
5. Officers
6. Duties of Officers
7. Executive Board
8. Finance Committee
9. Other Committees
10. Nominations
11. Elections
12. Meetings
13. Surplus Funds
14. Amendments to By-Laws

Three meetings and a portion of another, consuming approximately seven hours, were required to adopt these by-laws which differ from the original proposals. These by-laws reflect the popular views of the TMA membership. Contents of these Charter By-Laws will be made public as soon as possible.

Seek Refuse Problem Solution

Middlesex County Commissioner John L. Danehy of Cambridge today announced that he has filed legislation which will call for the participation of cities and towns together with the County Government in finding solutions to the problems of refuse disposal and the high cost to cities and towns for making municipal purchases.

S479 of county refuse disposal commissions which would consist of representatives of participating cities and towns and the County Commissioners under Chapters 35 and 40. This commission would assess the present and future needs of the municipalities in their jurisdiction and would act as a central coordinating agency in determining with experts, in the field where the facilities should be constructed and what areas they should serve.

Commissioner Danehy stated that he felt that this approach would result in lower cost in tax dollars to the residents of the participating cities and towns and would provide for more meaningful bilateral cooperation between the county and the municipal subdivisions.

The accompanying bill S450 provides for the creation of a Department of Purchasing in the county for the specific benefit of cities and towns

and for the various courts and bureaus in the county.

This proposed legislation is unique in that unlike previous proposals which would serve only county offices this bill would make the Department of Purchasing the agent for participating cities and towns in processing, compiling and expediting purchasing orders. The Commissioner stated that the cost for procuring supplies and material on an individual basis by each municipality is prohibitive and beyond reason when a central agency can be established at little or no additional cost to the taxpayers of the Commonwealth.

"It is about time," Danehy said, "that public officials at the state and county levels make a determined effort to relieve our cities and towns of unnecessary expenditures of funds. These two proposals, when implemented in the proper manner and with due regard for the needs of the people we serve, will prove a tax saving, would require no further expenditure for personnel other than a transfer to the county budget, and would bring about increased and more effective participation on the part of our municipalities in County Government."

About 20,000 home loans are guaranteed by the Veterans Administration each month.

Responsibility Of Welfare

Welfare is the subject of this month's open meeting of the Arlington Civil Rights Committee, to be held on Jan. 27 at 8 p.m. at the First Parish Unitarian Universalist Church at 630 Mass. ave.

The meeting will feature a panel discussion with Attorney Marvin Glaser as Moderator.

Panelists are Rep. Edward J. Dever (Chairman of the House Insurance Committee), Mrs. Barbara Dulaney, a welfare mother, and Miss Pat Sullivan, Boston Welfare Worker.

The meeting is open to the public, and questions and comments are welcome. Refreshments will be served.

ELECTED
Charles R. Fitzpatrick, 202 Lowell st., has been elected to membership in the Massachusetts Society of Certified Public Accountants.

Fitzpatrick was graduated from American International College with a B.S. in Accounting. He is a senior auditor with Lybrand, Ross Bros. and Montgomery.

He is married to the former Ann Davis and the couple has two children.

Veterans are good credit risks. Only 3.3 per cent of the seven million home loans guaranteed by the Veterans Administration have been foreclosed.

Arlington Sea Explorers Prepare For Summer Season

Sea Explorers combine work with pleasure, as weekly tug of war is held at Monday night meetings.

During the winter months, Arlington's Sea Explorer Ship 301 must prepare and train for the coming boating season.

Each week the local scouts perform maintenance work on the removable parts on the boat and in the classroom learn the fundamentals of boating. Classes are currently being held on engines, small boat handling, seamanship and navigation.

Before the summer season

begins each boy will be qualified as an apprentice, able or ordinary seaman and by the time summer is over they should be well experienced in their job.

Skipper Bill Caldwell plans to have all the boys set up in four well trained crews. Each crew will have members that are qualified in different basic skills so that on each sailing cruise the boat will be well manned.

Current members of ship 301 include Richard Wilson, John Lacarte, Jim Fitzgerald, Nelson Pindari, Bill Hayward, Carl Hansen, Denis Hall, John Milton, Kevin Wells, Peter Lanzillo, Kevin Day, Kevin Kelly, Kenney Read, Kevin Judge, and Frank Marrec.

ACCEPTED

Frank P. Dettorre, Jr., son of Mr. and Mrs. Frank P. Dettorre, 68 Pine Ridge rd., has been accepted at Newbury School of Business, Boston. Frank is a graduate of Arlington High school.

While attending Newbury School of Business, Frank will be enrolled in the Management program. Newbury school offers two year programs in Business Administration, Secretarial Sciences, Data Processing, and Fashion Merchandising.

Members of crew one, under the direction of mate Charles Bugden, inspect sail for winter overhaul.

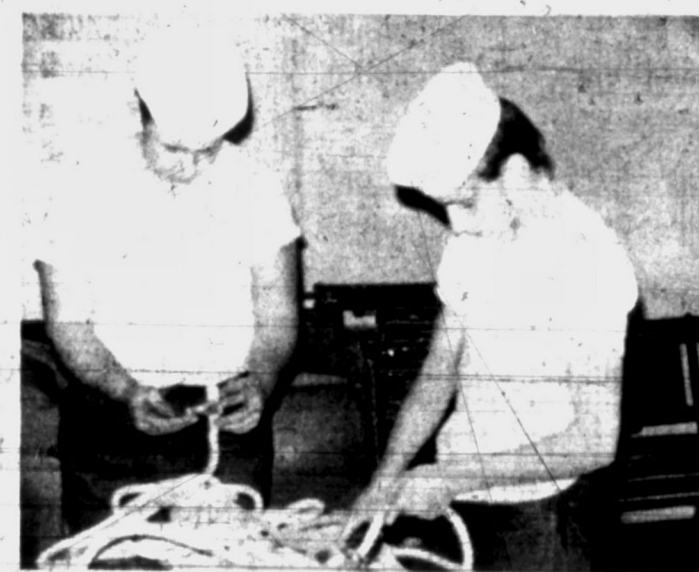

Skipper Caldwell instructs a group of Sea Explorers in the use of weather instruments.

Nursery School Aims Its Goals

Creative Playmates, a new interracial nursery school in Arlington, will launch its fund raising campaign on station WHIL-FM, Jan. 26 at 9 p.m. Representing the school will be Mrs. George Rogers, Board chairman; Mrs. Robert Bowers, Board secretary; Mr. Herbert Fajors and Mr. Daniel Wolf, Board members; Mrs. Rudolph Kass, member of the Board, and mother of a white student; Mrs. A. Edward Hen-

derson, mother of a black student; and Mrs. Robert Lewis, Director of the school.

These associates of Creative Playmates feel that the school is making an important contribution towards solving interracial strife and hope that enough financial aid will be forthcoming to continue their program another school year.

Explorers John Lacarte and Rich Wilson perform a repair job on jib lines, using Marlinspire seamanship.

Celebrate Jaycee Week

January 19-25 is National Jaycee Week and the Arlington Jaycees are celebrating the event in several ways.

The Board of Selectmen issued a proclamation declaring Jaycee Week here in Arlington and complementing the local Jaycees for their work in the community.

The Donnelly Advertising Company donated a billboard site on Massachusetts Avenue over Lockeland Market to the Arlington Jaycees as a public service and as a token of their appreciation of the Jaycees as an organization.

Navigation

An unusual opportunity for adult boating enthusiasts to learn celestial navigation will be offered by Boston's Museum of Science in a course beginning Feb. 5 at 7:30 p.m.

The instructor, Dr. Frances Wright, taught at Harvard University for 10 years and is now Astronomer at the Smithsonian Astrophysical Observatory. With Dr. Bart Bok, she is the author of *Basic Marine Navigation*.

The course, given in six two-hour sessions, will deal with different methods of determining latitude, at night or day; and with observations of

the sun, moon, stars, and other celestial bodies to determine position. A discussion of the different kinds of time for use on the Navigator's Watch will be included. Dr. Wright will also present models and especially prepared slides to illustrate her talks.

The length of the course will allow for practice in the use of sextants and for making sight reductions during an imaginary cruise. Sight reductions will be made by Hydrographic Office 249 tables. The sessions will take advantage of the Hayden Planetarium for identification of celestial bodies and demonstration of navigation theory.

A Record Year At Harvard Trust

A record year and a major achievement in growth has been reported by Harvard Trust Company, a Middlesex County Bank, with offices in Cambridge, Arlington, Belmont, Concord and Littleton. For the first time in its history, Harvard Trust Company net operating earnings exceeded two million dollars and its total assets, for the first time, passed the \$200,000,000 mark.

For the calendar year 1968, net operating earnings after taxes were \$2,231,066, or \$5.07 a share, compared to \$1,939,861 or \$4.41 a share in 1967—a gain of 15%.

At the year end, total assets of Harvard Trust Company stood at \$200,731,355 compared to \$179,197,161 a year earlier, a gain of 12%. Total deposits Dec. 31 were \$173,910,061, up 13% from the comparable figure of a year ago of \$153,825,824.

Children of deceased servicemen continue to receive Veterans Administration benefits after their mothers remarry.

Your PHARMACIST SPEAKS

You may consider the motions you make as being quite automatic, maybe caused by some physical reflexes. There's more to it than that. You don't eat, wear clothes, drive your car, go for a walk—without a preceding thought impulse. Every single step you take in life is directed by a powerful force—thought. The way you walk, your talk, your manner of dress, all reflect your way of thinking. What you exhibit outwardly, you are inwardly. You are the product of your own thought. At the Mt. St. Charles, Woonsocket, Rhode Island, Speech Festival, the orators from Arlington Catholic won five of the ten prizes offered. Competing in this Festival were schools from various New England cities.

The team representing Arlington Catholic was: Oratory—Original, Michael Gallagher and Eileen Masci; Oratorical Interpretation, Larry Novello and William Vines; Dramatic Interpretation, John Racicot and Thomas Dukeman; Girls' Extemporaneous, Ellen Doherty and Eileen Reintjes; Boys' Extemporaneous, Dennis Beatrice and William Woods.

The five trophy winners were: Michael Gallagher, Larry Novello, Thomas Dukeman, Ellen Reintjes and Dennis Beatrice.

This was the largest number of trophies ever won in one tournament by any school. The coach, Sister M. Sylvester, is now preparing for coming speech events.

Inspector LeCain Guest Speaker

The January meeting of the Democratic Town Committee will be held Jan. 23, in the Junior Library Hall at 8 p.m.

In addition to the regular business meeting, Program Chairman Dick Brennan has arranged for Inspector John LeCain of the Arlington Police Department to be the guest speaker.

Inspector LeCain will present a film and lecture on the ever increasing problem of drug abuse.

The public is cordially invited to attend this meeting.

In which these and other orators will compete.

Elected To Builders Board

Michael M. Goldrick, 253 Pleasant st., manager of residential sales for the Boston Gas Company, has been elected to the Board of Directors of the Home Builders Association of Greater Boston.

Mr. Goldrick has been active in the HBAGB, which is the Boston Chapter of the 50,000 member National Association of Home Builders, for several years. Last year he was chairman of the all-important Membership Committee. This year, he is serving on the Home Show Committee which is making the preparations for the New England Home Show which is scheduled to be held from March 1 through 8 at the War Memorial Auditorium. He is also a former vice president of the Home Builders Association of Greater Boston.

For ten years, Mr. Goldrick has been manager of residential sales with the Boston Gas Company where he supervises sales and service to home owners in 32 cities and towns in the metropolitan area. He is active in both the New England Gas Association and the American Gas Association.

He is also an active worker with the St. James Boy Scouts Troop and the St. James Parents Club. He is a past president of the St. James Parents Club. He is also active in the alumni association of Northeastern University.

He is married and has two sons and four daughters all at the home address on Pleasant st.

Training Course Is Available

The Arlington Jaycees and the Arlington Community of the American Red Cross are collaborating on the sponsorship of the Standard Red Cross Emergency First Aid Training Course.

The Course will cover almost all aspects of emergency first aid, including artificial respiration (all types), bleeding control, burn and shock care, poisonings, bandages, effects of heat and cold, bone, joint and muscle injuries, and fractures.

The course will be presented in Room 202 of the Arlington High school Freshman Building, for two-and-a-half hours on each of the following Thursday evenings, beginning at 7:30: Feb. 6, 13, 27 and March 6.

A test will be given at the end of the course, and certificates will be awarded to those completing the course. Donald Thomas, Director of the Arlington Community of the Red Cross, will present the course.

There will be no cost involved for those taking the course. Besides aiding with the publicity and administration of the course, the Arlington Jaycees are paying the entry fee of the first thirty persons who sign up for the course.

The course is open to the public, and all those over 14 years of age are urged to take advantage of this opportunity to gain knowledge on preventing and alleviating injuries. Those interested in taking the course should contact James Skahan at 876-5547 (days) and 643-8285 (evenings).

Cost of a \$10,000 Servicemen's Group Life Insurance policy is only \$2 to the servicemen because the extra hazards cost is paid by the U.S.

New Piano Students - - -

Robert A. Ball, piano teacher in Arlington for many years and Appointed Guild Teacher for the Art Publication Society in association with the St. Louis Institute of Music, is pleased to announce the acceptance of four additional piano students in the Progressive Series Enrollment Program.

From left to right: David Masci, son of Mr. and Mrs. Angelo Masci of Lexington, Joan Giacinto, daughter of Mr. and Mrs. Alfred Giacinto of Arlington and Carol Ann Clem, daughter of Mr. and Mrs. Carl Clem of Medford. Absent when the picture was taken is Sophia Coconides, daughter of Mr. and Mrs. Anthony Coconides of Arlington.

Previously enrolled students are: Cynthia Ball and Anne Marie Cayer of Arlington, Elaine Woo of Wellesley Hills, Stephen Vilce of Brookline, Barbara Minton of Lexington, Joseph Singh of Newton, Niki Gatos of Newton and Gabrielle Hanna of West Roxbury.

The Progressive Series Society offers college prepara-

tory music courses to promising music students and is taught by a network of authorized teachers across the country. Authorized Progressive Series teachers are selected and appointed only after thorough investigation of their abilities and their standing in their own communities as part of a plan to include only the best qualified teachers in this vast network.

The unique advantage of Progressive Series stems from the insistence of its founders and editors that music studies should lead to a thorough understanding of music, not just to an ability to play pieces. Progressive Series was the first to recommend complementary theory study, and each of these students will be required to satisfactorily pass the most comprehensive theory examinations at specific levels of study in addition to meeting high standards of technical proficiency.

Progressive Series is also used in the Preparatory Department of St. Louis Institute of Music where about 800 pupils are taught annually.

Your Social Security

The Social Security Tax (FICA) was increased on Jan. 1, 1969. A worker is now taxed on the first \$7800 of his earnings. During 1969 the rate of his contribution toward the support of the Social Security program will be 4.8 percent compared to 4.4 percent last year. This means a substantial increase in the amount being deducted from each worker's salary. Wages paid since Jan. 1 have reflected this change.

While everyone is now—soon will be—aware of this tax increase, most are not aware of the fact that the Social Security Administration advises each worker to check regularly with the administration to see if his earnings record is in order.

Daniel S. Howard, Field Representative at the Cambridge District Office, said that each year it is found that many workers are not credited with their earnings because they use an incorrect account number. This could be due to

clerical errors, mistakes by the employee when he initially filled out his employment forms, or failure of a woman to register her change of name after marriage.

A special form (OAR-7004) has been designed to give the total earnings credited under Social Security for two different periods—from 1937 to present and from 1951 to present—plus a breakdown of the past three years' earnings. The breakdown of the past three years enables the average worker to determine if his record is complete.

If for any reason the earnings record appears to be incorrect, a contact should be made with the local Social Security office to correct the error(s).

To obtain Form OAR-7004, get in touch with the Cambridge Social Security District office at 625 Mount Auburn st. (telephone 491-0700). The Cambridge office is open daily from 9 a.m. to 5 p.m. and Wednesday evenings until 8 p.m.

Appointed

Harris S. Richardson, Jr., President of the Minuteman Council, Boy Scouts of America, has announced the appointment of Walter L. Milne as Chairman of the 1969 Scouters Recognition Banquet.

The Banquet, to be held Feb. 3 at the Hillview Country Club in North Reading, will host 400 adult leaders from the twenty communities served by the Minuteman Council.

According to Richardson, the featured address will be given by J. Harold Williams, internationally known in Scouting circles.

A pioneer of the Boy Scout movement, Williams served as Scout Executive of the Narragansett Council covering the

entire state of Rhode Island for forty-four years. He has been recognized on numerous occasions for his service to youth. Recognized not only as a speaker, he is distinguished as an author. Williams is a trustee of Roger Williams College and is an officer in many other civic and business associations.

Also to be featured are the recognition of Adult Scout leaders with training awards, Veteran awards and Woodbadge awards. The highlight will be the presentation of the Silver Beaver award. The highest recognition that may be presented by a local council of the Boy Scouts of America.

Appointed to serve with Mr. Milne are: H. Andrew Brodecki of Reading; Richard Soule, Lexington; Richard Sanasarian, Jr., Waltham; Nolan T. Jones, Winchester; Robert L. Breviglieri, Medford, and William D. Jacques of Reading.

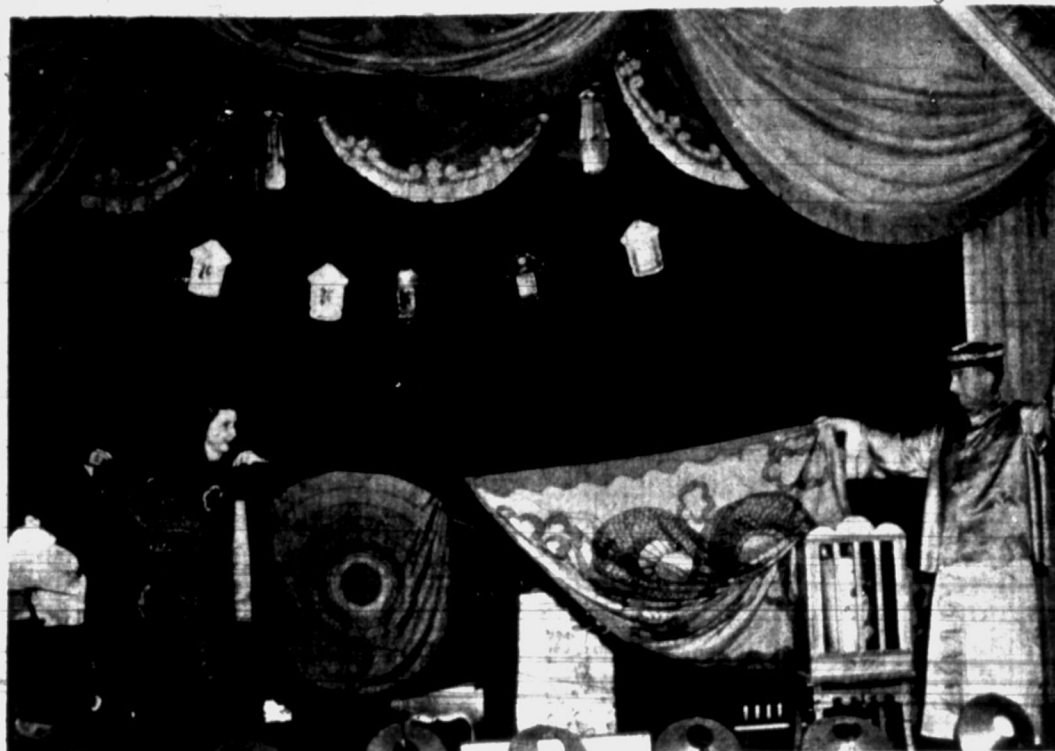

TO BE ADVERTISED

Received by the Board of Selectmen Monday night was a permit from the State Dept. of Public Works approving under authority of Chapt. 85, Section 2 of the General Laws, an amendment to the Town's Traffic Rules and Orders as approved by the Board, Dec. 16, relative to parking on Newman way.

The permit was filed with the Town Clerk and will be advertised for one week.

See 10 Percent Sales Increase

BOSTON — A minimum increase of 10 per cent in sales will be experienced by the nation's boating industry in 1969, a top official has predicted.

The projection came from Edward M. Flanagan, director of the giant 13th annual New England Boat Show, to be held Feb. 22 through March 2 at Suffolk Downs, East Boston.

"Many companies are gearing their production schedules to handle increased business far beyond the 10 percent figure," Flanagan observed. "Quite frankly," he added, "all indicators point to a record year and additional thousands of families joining the multitudes already enjoying recreational boating in Massachusetts and all parts of the United States."

In 1968, Flanagan noted, that the nation's recreational fleet grew by 165,000 in 1968 to a record 8,440,000 craft of all types.

The 450-boat fleet to be exhibited during the nine-day marine exposition at Suffolk Downs will fill over 80 acres of display space in the all-heated, enclosed clubhouse at the race track. Free parking will be provided daily for 10,000 cars in the parking lot.

Fitness Programs

The Park and Recreation Department is conducting Fitness Programs for men and women at the high school. Both programs are free of charge and open to all Arlington residents 18 years of age and older.

The Woman's Program is held on Wednesday evening, in the Freshman building gymnasium located behind the main building. Two classes are held nightly at 7:30 and 8:30 p.m.

Various free exercises, stretching exercises, and exercises to music, make up the evenings program. In addition, other activities are available in order to give women a well rounded evening of exercise.

Men have the opportunity to exercise twice weekly on Tuesday and Thursday nights at the boys gymnasium in the high school. A vigorous exercise session is followed by informal games of volleyball and basketball. The time is 7:00-10:00 p.m.

Both programs will continue till mid-March so there is still plenty of time to join and get weekly exercise close to home.

Golden Agers

The Arlington Golden Age Society will take a bus trip and will dine at Hugo's Light-house, Cohasset, Jan. 29.

The meeting of Jan. 16, was attended by some 175 members of the Golden Age Society.

Pres. John Mansfield introduced Rev. Wilbur Canaday of the Park Ave. Congregational church, Rev. Henry Tomsden of St. Paul's Lutheran church and Rev. James Pedan of the Heights Methodist church who offered their services to the establishment of a "Drop-In-Center in the Hts. district."

An organization committee was appointed and a meeting date scheduled for Feb. 11, at the Park Ave. Congregational church at 10 a.m.

Mrs. Melvin Rood showed pictures of her tour of Cape Ercot, Canada.

ACCEPTED
Selectmen Monday night accepted the resignation of Thelma L. Berglund, (R), 272 Broadway, as Teller in precinct 3. The name of Raymond E. Udall, (R), 74 Bates rd., was added to the list of Election Officers.

Completes Course - - -

Five Arlington Buick employees have just completed a year's course sponsored by Buick Motors Division of General Motors. Service Manager Andy Anderson is handing out the certificates of achievement to, l. to r., Jerry Carbone, Dick Hoar, Lucky Guerrero, Donny Day, and Doug Emeneau. Each man, having finished the B.E.S.T. program, is now certified as "Service Technicians."

Second Band Battle Saturday Night

The Arlington Jaycees will hold the second of three scheduled "Battle of the Bands" contests Saturday night at the Junior High West from 7:30 to 11:30 p.m. Some of the top bands of the Arlington area will be featured.

This is the second of three contests and will not of itself determine the ultimate winner which will represent Arlington in the Regional "Battle of the Bands."

The bands scheduled to do battle are as follows: The Still LIFE, The Casuals, Yesterday's Tomorrow, The Renaissance, Society's Child, and the Quiet Zone.

All teenagers of the Arlington area are invited to attend the "Battle" along with their guests. School dress will be required and dancing will be permitted. Refreshments will be handled by the Arlington Jaycees-ettes.

The Junior High West does have a limited attendance capacity, therefore, when that capacity is reached attendance will have to be limited in accordance with the fire regu-

lations. In order to eliminate the possibility that the attendance capacity factor will prevent persons supporting the band of their choice it is suggested that an early arrival at the Junior High West be planned.

COMMISSIONED

Charles W. Hayes, son of the late James A. Hayes and Mrs. Esther R. Hayes, 31 Johnson rd., has been commissioned to Lt. Commander in the United States Navy.

The Commander, Mrs. Hayes and family of two young sons and daughter are stationed at Norfolk, Va.

Outpatient visits to Veterans Administration hospitals, clinics, and physicians paid by VA increased by 300,000 over the previous year to 6,564,000.

Veterans may receive Veterans Administration care for service-connected dental conditions without supporting military records for six months after release.

New System

Registrar Richard E. McLaughlin said recently that under the new staggered registration system which will become operative on Feb. 1, 1969 only passenger vehicles which are being registered for the first time will be affected this year. The effective registration period will be extended to cover more than 23 months but not more than 24 months after the date of registration and the fee will be double the annual fee now in effect. (\$6 to \$12, \$8 to \$16, etc.)

Most owners, therefore, will not be affected by the staggered system until the Fall of 1969 when they will be renewing their current 1969 registrations for the year 1970. "The key to the staggering system is the last Arabic numeral on the registration plate which corresponds with the month of the year unless the last letter is 'X' or 'Y'. For example, plates issued to new registrants which bear the last digit '1' will expire on the last day of January; plates which bear the last digit '2' will expire on the last day of February, etc. Plates that have as the last letter 'X' will expire the last day of November and plates that have the last letter 'Y' will expire the last day of December.

"This will allow the Registry to achieve a more efficient, smooth flow of business at all Registry offices because registrations will then expire in various months of the year rather than all at the same time at the end of the year. Two oblong plate decals indicating the expiration date of the registration will be issued—one to be placed on the upper right corner of each plate. "This change will be welcomed by applicants who have, at one time or another, had to wait in long lines during the holiday season, and by insurance companies who are deluged with last-minute applications during the closing days of the year.

"The Registry of Motor Vehicles will be a better position to serve the motoring public more quickly when the peak period is eliminated and the business spread throughout a 12-month period just as the license renewal on a person's birthday has eliminated the pressure of the end-of-the-year bottleneck in that procedure," Registrar McLaughlin said.

Various types of registrations will not be staggered. These include commercial vehicles, special purpose series, government vehicles, plates with special designations identifying the vehicle or driver, and vanity plates. These will remain on a calendar year basis as at present.

Tony Saletan At Junior West

Tony Saletan, children's folk singer will be presented by Arlington Cadette Girl Scout Troop No. 10 of Junior High West, at Arlington High school, Lower Auditorium Feb. 2 at 2:30 p.m.

For five years, Mr. Saletan was music consultant of Newton public schools and three years a music consultant for Harvard University Pre-School. In 1961, Tony was selected by the United States State Department to spend two years in Asia and Africa as a "singing ambassador". Proceeds from the affair, open to the public, will be applied to the Cadettes' spring trip to Washington, D.C.

Brackett P.T.A.

The Brackett school P.T.A. met Jan. 14 at the school. Following classroom visitation, the parents were invited to view a film entitled "Willie Catches On," and hear an interesting talk by Miss Damaris Ames of the Lincoln-Filene Center at Tufts University.

MEDAL WINNER

Technical Sgt. Walter Scott, son of Mrs. William J. Scott, Sr., 21 Trowbridge st., recently received the U.S. Air Force Commendation Medal at Goose AB, Canada.

Sgt. Scott was decorated for meritorious service as a transportation supervisor at McConnell AFB, Kan. He was cited for his outstanding leadership and initiative.

The sergeant is now at Goose Bay in a unit of the Strategic Air Command.

A 1945 graduate of Rindge Tech. High school, Cambridge, he served during the Korean War.

His wife is the former Viola E. Veinot from Canada.

Colonel James O. Britt, commander of the 95th Strategic Wing, makes the presentation.

Promoted

Richard C. Gerrold, 82 Rhinecliff st., has been promoted to manager in the new business department of the John Hancock Mutual Life Insurance Co.

The appointment was announced by Charles A. Ormsby, senior vice president.

In his new position, Gerrold will plan and direct the activities of the debit underwriting and issue division.

Gerrold has held various underwriting positions since joining the company in 1947 as a trainee. He was named assistant manager in 1953 and later was promoted to underwriting manager of the debit underwriting and issue division.

A 1947 graduate of Boston University College of Business Administration, Gerrold is active in community affairs. He is presently chairman of the Scout Committee for Boy Scout Troop 368, St. Paul Lutheran Church.

Gerrold and his wife have three children.

Medford Stuns Burnsmen Again 2-1; ACHS Romps 9-1 Over Hudson

★★★★★

A pair of second period goals gave Medford its second win over the Arlington High hockey team Saturday afternoon by a 2-1 score.

Tom Deveau put Arlington out ahead in the opening period at 1:25 on a backhand shot that beat goalie Bob Henry for Arlington's lone tally of the day. Peter Flanagan had an assist on the goal. The period ended with the Red and Gray ahead 1-0.

In the second period, the Mustangs scored twice, with the first goal coming at 3:40 on a great scoring effort by Deveau. Steeves had assists on both of Medford's scores. Less than two minutes later Webb, with assists to Steeves and Harris, Medford scored

what proved to be the winning goal.

Bob Henry kept Medford in the game as Arlington stormed the goal early in the second period, but failed to score.

Midway in the middle stanza Medford seemed to get new life and outplayed and out-hustled the local boys.

It was Arlington's second loss this season, both to the Mustangs, and have yet to beat the Boudreau coached team.

Last season Medford won the season's opener from the Spy Ponders and held them to a tie in the second game.

Brookline and Medford are tied at the top of the league with 7-1 records, followed by Arlington, 6-2. Waltham, the fourth place team is Arlington's opponent this Saturday.

A.C. In Tourney Finals

A 6-0 win by Arlington Catholic in the opening round of the Catholic hockey tournament, a 2-1 victory over St. Mary's of Lynn in the semi-finals, gave the Carney coached club the right to meet Xaverian of Westwood for the Catholic Class "B" title.

The Xaverian team, a power house in sports in the Catholic leagues, defeated previously undefeated Xavier to make the finals. Coach Bob Richards has the Xaverian boys hustling and his team has moved into third place in the Catholic league after losses to Arlington Catholic and Xavier. Xavier holds a 6-3 win over the Arlington Catholic team, the team's only loss this year.

On Jan. 5, in a regular league game, Arlington Catholic defeated Xaverian 5-0 as John Quanci had a great day in the nets, turning aside many difficult shots from a hustling Xaverian forward line. John did a fine job for his team Monday night, just missing a shutout.

Larry Fenton's rifle shot midway through the second period was the only shot the ever alert A. C. goalie failed to make.

Coach John Carney will start the following line-up: Quanci in the net, Dennis Villandry at center ice, with the Coleman brothers, Scotty and John, on the wings, and the two Co-Captains, John Ready

and Phil McDougal on defense.

Larry Babine, the swing defenseman and center ice man for face-offs in the corners, may start if either McDougal or Ready, who have been out with injuries, are not up to par.

Faceoff is set for 7 p.m. at McHugh Forum, the Boston College Rink.

Lyons Stars in ACHS Victory

Sophomore Jim Lyons scored 19 points and played a fine defensive game as Arlington Catholic beat the Columbus hoopers Friday night, 65-42.

The intown school had a three point lead at the end of the first period and were ahead at half time 32-25.

In the third period Coach Dick Broderick's boys put on a good scoring show as the team scored 21 points and held Columbus to a total of five.

The Arlington Catholic defense in the last period again held their opponents to five points in the best defensive effort the team has shown all season.

In double figures for ACHS were: Jim Lyons, 19; Capt. Bill Lyons, 13; Mike Frazar, 11, and Leo O'Brien, 14 points. The team posted a win over

SPORTS

Track Team Defeats Rindge

Friday afternoon the Arlington indoor team defeated Rindge Tech 48-38, even though the Rindge team turned in the fastest time of the day in the relay event. The Rindge quartet ran the event in 2:28.3 but were pushed all the way by the four Red and Gray runners.

Paul Manderino, with a win in the shot put and a third in the hurdles, was Arlington's top point getter.

Other first place winners were: Tim Lynch in the mile, Barry Santani in the hurdles, Mike Ceurvels in the thousand and Betsen finished in a three way tie for the top spot in the high jump with a leap of 5-2.

Finishing second for Arlington, Dave Baldwin, just behind Mike Ceurvels in the 1000. Scozzeri in the 300. Tom Heaslip in the two mile. Charlie Barnaby in the shot. Bob Baker in the dash and Bill Mahoney in the 600.

Dick Repetto finished third in the mile; Megna in the 300; Jim Swanson in the two mile; Peter Wynne in the dash, and Paul Manderino in the hurdles.

With the State Meet coming up at the Boston Garden, Feb. 1, Coach Jim Kelley and his assistant Jerry Driscoll will try to give the team more practice sessions.

The team still is without a home track to practice on.

St. Mary's of Lynn earlier in the week and have hopes of keeping their win streak going after getting off to a bad start.

AHS Now at Yale

Two Arlington boys, Jon Deveau, pictured above, and Paul Fitzpatrick, are playing regular roles for the Yale varsity hockey team this season.

Deveau, a junior, is one of the only four juniors and seniors on this sophomore-dominated squad. A hustling left wing who is called "the elder statesman" by his teammates, Jon is in his second year as a varsity regular.

The 5-9, 170-pounder, a former three-sport standout at Arlington High, missed the first two games of the season with a fractured wrist. He had to scramble to win back his position, and since then has tallied one goal and three assists. As a sophomore, Deveau had three goals, five assists.

"Jon is one of the real sparkplugs on this squad," says varsity coach Dick Gagliardi. "He's a fine leader and an excellent defensive forward."

Fitzpatrick, a defenseman, is something of a Cinderella story. Because he plays foot-

ball too—he started at defensive end for the Eli junior varsity this fall—Paul missed almost all of pre-season hockey practice.

Last season, the B.C. High graduate was fifth defenseman of the 18-1 Yale freshman sextet, and he started one game—only because the regular blue-liner left early for vacation.

Paul began this year as the sixth varsity defenseman. When one Bulldog defenseman left the squad and his replacement turned in two so-so performances, Gagliardi started Fitzpatrick against opposition, a week ago. The coach is happy he made the move.

"What a job he did," raved Gagliardi. "He's not going to lose that job for a while. Paul's got an excellent attitude and only needs experience to be a fine defenseman."

Fitzpatrick is the son of Mr. and Mrs. F. Leo Fitzpatrick of 15 Hawthorne ave.; Deveau is the son of Mr. and Mrs. Leo P. Deveau of Cottage rd.

Freshmen Beat Malden High 6-0

Rick Jackson, the freshman goalie, shut out Malden High freshmen 6-0 Saturday morning at the Arena for the seventh straight win for the AHS team.

There was no scoring in opening period.

Coach Bob Carr's boys tallied three times in both the second and third periods.

Credited with goals were: Maury Corkery, Peter Crocker, the Flanagan twins, Pat and Mike, Jeff Corbett and Peter Noonan.

The team will try to win game number eight against Malden Catholic, Saturday morning, at 7 a.m.

Sportsmen's Show Now Underway

The 1969 edition of the N. E. Sportsmen's and Camping Show will continue daily through Sunday, Jan. 26, from 1 to 11 p.m. except Saturday when doors will open at 11 a.m.

Red Sox star Ken Harrelson will headline the spectacular stage and water show, one of an exciting array of highlights in this wintertime treat for sports-minded families.

Harrelson, who will appear at each performance during the 9 days, will be joined by his star teammate Carl Yastrzemski on the concluding weekend of the show, Saturday and Sunday, Jan. 25 and 26.

TV's cowboy star Rex Trailer will serve as master of ceremonies for the thrilling stage and water show that will bring such outstanding performers as talented Lil' Sparky the Seal, champion canine trainer Willie Necker and his retrieving dogs, daring aerialist Jimmy Troy, the canoe-tipping and log rolling duels by Canadian guides, and the breathtaking acrobatic Amandia Family.

The stage and water performers will also be joined by a closed circuit system throughout the auditorium so visitors in other parts of the hall can view the entertainment while perusing all the new equipment.

More than 300,000 persons are expected to pass through the auditorium in Prudential Center during the nine days. This colorful sporting mecca brings every recreational interest ranging from hunting, fishing, scuba diving, archery, firearms, golfing, skiing, tobogganing, karate, snowmobiling, cycling, and other allied activities all in one place. More than \$1,000,000 in sports equipment will be shown.

The entire second floor will be transformed into a mammoth camping center for the Camping Show under the auspices of North American Family Campers Assn. All kinds of trailers, family campers, tents and camping equipment as well as data on camping sites and grounds will be featured in this huge center.

On the first floor, the Massachusetts Dept. of Commerce and Development will bring one of the largest exhibits of the many state and regional resort areas with recreational facilities ever assembled for the Sportsmen's Show.

These groups will all have elaborate exhibits pointing to the lures to attract the sportsmen, and the Bay State group will bring stars of the Celtics, Bruins, Patriots and Red Sox to their exhibit for nightly appearances.

Hudson Catholic High held the Arlington Cougars to a 1-1 tie in the first period Sunday but lost 9-1.

A pass from John F. Jody to John Shea gave Arlington Catholic a goal at the 42 second mark of the first period. Brissette of Hudson tied the game with Richer getting the assist.

There were four goals for ACHS in each of the last two periods.

John Coleman scored the first of his four goals with Ready getting the assist at 1:43.

Dennis Villandry's tally came at 4:42, assists going to the Coleman brothers.

Scott Coleman had the next score with an assist to Dennis

Villandry. Larry Babine had an assist on John Coleman's second goal as ACHS led 5-1 when the second period was over.

John Coleman had his third goal in the opening moments of the final period with Scott Coleman and Villandry the assists. J. MacDonald had goal number seven, John Shea the assist.

Mike Curry had the next goal and Jim Volner the assist.

John Coleman's unassisted goal was his fourth of the day and the ninth for his club.

Undefeated Xavier leads the league with Arlington Catholic in second place. ACHS draws a bye next Sunday. Xavier will play fourth place Xaverian of Westwood.

Brockton Beats AHS Hoopsters

Bob Cuccio with 20 points was Arlington High's top scorer as the basketball team lost to Brockton Friday night, 71-49.

Capt. Dave O'Leary was double teamed by the Brockton defense and held to his lowest point total of the season.

The great coverage the Brockton defense gave the Arlington captain is a fine tribute to his scoring ability.

Dave had 44 points against Rindge and is one of the league's leading scorers.

Arlington was in the game up until the last three minutes as the scoreboard showed Brockton leading by only seven points. In the last three minutes the Brockton forwards came up with 14 points and the Shoe C team moved into first place in the league standings. Brockton plays here this Friday night.

Fidelity House Sports

The Fidelity House basketball and hockey seasons are now in full swing with the following results:

In basketball, the Royals, the Eastern Division leader, are still undefeated as they defeated the Bulls 52-12, led by Bobby Donovan, and rolled over the 76'ers 44-15, while the 76'ers bounced back, led by Terry Regan, defeat the Pistons 33-12.

The Pistons tripped the Knicks 31-19. The Celtics, led by Chris O'Keefe's overall play, defeated both the Knicks and Bulls by the same scores 32-16. In the Western Division, the Suns and Warriors are tied for the league lead. The Suns beat the Bucks 15-7, but the Warriors, led by Bob Guzman, tripped the Bulls 17-8, while the Bucks won their first game of the season by squeezing by the Hawks 7-5. The Lakers forfeited to the Bulls 2-0 but beat the Hawks 13-3, led by Chris Tyrell.

In hockey, the Bruins, Eastern Division leader, beat the Rangers 2-0 and tied the Hawks 2-2, while the Hawks, also tied the Leafs 0-0 in a stand-out defensive battle.

The Leafs, led by goals from Bruce Fraser and Rich Crowley, defeated the Canadiens 2-0, while the Canadiens tied the Wings 2-2. The Wings, led by the two goals from Mike Shea, shut out the Rangers 3-0.

In the Western Division the Seals, the league leaders were upset by the Penguins 1-0 but bounced back, led by Mike

Tanner's hat trick, to defeat the Blues 4-1.

The Penguins took over second place, led by Bernie Gardner's goal, to squeeze by the last place Flyers 1-0, while the North Stars, led by Bob Leahy's two goals beat the Kings 2-0 and tied the Blues 1-1. The Kings topped the Flyers 2-0.

Last year the 166 Veterans Administration hospitals accommodated 726,426 patients, 12,000 more than during the previous year.

SCHOOL and SPORTS

by Hal O'Brien

Saturday's heartbreaking loss to Medford breaks a 21 year old record of Coach Eddie Burns. It marks the first time any hockey team has beaten a Burns-coached club twice in one season. Arlington has just about taken it for granted that the Burns-coached Spy Ponders are unbeatable. Every once in a while some team proves otherwise, but not too often.

It was just about a year ago this time when some of the fans felt that Arlington was slipping in hockey but the State Tourney proved that even though the local team did not even top the G.B.I. League, the Town's hockey buffs were going with the Red and Gray in the tourney, and they came out on top.

The three "N" teams, Needham, Norwood and Natick are having a ding dong battle in the Bay State League for the title.

It is one big show after another at the War Auditorium in Boston, this week it is the New England Sportmen's and Camping Show and Feb. 8 the International Boat Show moves in.

Now that the T.V. football season is over, what will the followers of Pro football do on Sunday afternoons. From now on, Saturday will be the day to watch sports on T.V. with programs starting at 10 a.m. The roller derby, wrestling, bowling, golf, college basketball, fishing, just to mention a few.

Tim Russell has finished his first term at Merrimack College and will start working out this week at the Tufts College baseball cage prior to going south to the Red Sox rookie training camp.

Saw Charlie Harrington at the hockey game Saturday and 1967's AHS football captain, informed me that Eddie Krueger, who coached at Phillips State, where Charlie played fresh football has resigned.

Darrell Mudra, the head coach at U. of Arizona who was Mark Driscoll's coach this past fall, quit at the end of the season so Mark will have a new head coach next season.

This seems to be the year for good high school goalies. Among the better performers are, Maynard of Xavier, Bertagna of Arlington, Quanci of Arlington Catholic, Diamond of Brookline, Henry of Medford, Wolfe of Melrose and Walsh of South Boston.

Billy Corkery had a pair of goals and one assist as Andover beat Deerfield 7-2 and Ed Walsh had another shut

out game as Browne and Nichols beat Gov. Dummer 10-0. Bogosian of Arlington had a goal for the winners and Curt Hamilton had a pair of assists. All three players were in the Arlington Pee Wee program as youngsters.

The New England Clippers (the famous wheelchair basketball team) will play a charity game at Lexington High school Feb. 8.

One of the best places to go trout fishing this week is at the Sportmen's Show, where they feature a Hatch 'Em and Keep 'Em trout stream. Anyone for trout fishing?

Betty Farinose of Hathaway Circle is a member of the Salem State College girls basketball team.

Bill Matheson, the outstanding end on last fall's Bridgewater State football team, was named to the 1968 All-Conference Team of the New England Conference. Bill was an end here at Arlington High on the '65 team.

The three Quinlan boys are all playing hockey at AHS and all on different teams. Bernie is a forward with the varsity, Bob with the J.V.'s and Alan with the freshmen.

Al Dolan has lined up Bob Wilson, one of the top sports-casters, to be the speaker at next month's Touchdown meeting.

This weekend the Kodak Coach of the Year Clinic will be held with Warren Schmakel of B. U. the M.C. Joe Paterno, the Penn State coach, Jim Root of New Hampshire, Carmen Cozza of Yale and Duffy Daugherty are among the top college coaches who will lecture. Just about every football coach in the area will be in attendance.

Mark Messina had a pair of goals in Tilton School's win over Brewster Academy by a 6-3 score.

Defenceman John Ready and Phil MacDougal, who have been out with injuries, will be back in action for the semi-finals of the Catholic Tourney at B. C. this week. John "Doc" Ready is the A.C. co-captain and has been a member of the team since a freshman.

Next Monday night the Roller Derby fans will have a chance to see the San Francisco Bombers vs. the New England Braves.

Ronnie Robinson, son of "Sugar" Ray Robinson, one of the country's top fighters, is captain of the Braves. The Braves have a female team that will oppose the Bombers

Historical Groups Hear Mr. Morris

Freelon Morris, the New England Woodworker, will speak to the Arlington Historical Society at their meeting Jan. 28 at 8 p.m. in the Fellowship Hall of the Pleasant St. Congregational Church.

Mr. Morris gives expert advice on the preservation and maintenance of antique furniture, old paneling and flooring. After giving a general survey of the care needed in this climate, Mr. Morris will answer questions about specific periods and individual problems.

girls' team. It sounds like a very interesting night.

Something for campers that will be on the market shortly is a new tent that is inflated like a balloon and weighs just over a pound. It is a one-man shelter and can be used for camping, hunting, fishing, and when the summer cottage gets over crowded.

This is National Ski Week and just about every ski area is holding special events. Mt. Snow, Killington, Pico Peak, and several other spots have invited this writer but he has decided to leave the skiing to the Pepsi generation. Have long past the skiing age.

March Dance To Be Held - -

The Arlington Young Adult Chapter of the March of Dimes will sponsor a teenage dance, Feb. 1 at the Arlington Town Hall.

The dance will be in progress from 7:30 to 11 p.m. and all proceeds will be used by the March of Dimes to aid those children stricken by birth defects.

The dance committee, primarily composed of members of St. Jerome's C.Y.O. and under the supervision of co-chairmen Lillian Leone and Edna Varnum, has been donated services and products by many community interests and individuals who wish to help make the dance a success.

Among these benefactors are The Playtime (poster-board for publicity) and a group of ladies who will provide the refreshments.

Members of the dance committee include Robert Leone, Doreen O'Neill, Donna O'Neill, William McKeon, Carolyn DiBase, Michelle Hurley, Pat Hurley, Tim Horgan, Marr Horgan, Leo Lahiff, Donna Catanzano, Angela Tonetti and Sylvanna Tonetti.

This year, the committee has obtained the services of two local teen bands, The London Chimes, pictured above, and the Messenger's Request.

Busy Saturday - - -

Boys' Club staff members, Paula Jenny and Jerry Lordan, keep the small fry happy.

The Boys' Club became a very busy haven Saturday for all ages. At 10 a.m. the club opened its doors to 175 anxiously awaiting small fry, both boys and girls, who enjoyed a two hour program of fun, games, prizes, and cartoons.

Meanwhile, 30 members were deeply engrossed in their checker games vying for the championship of the checker club.

Another 50 boys were involved in the Ping Pong Tournament; winners of the tournament will represent the Arlington Boys' Club in a sectional games room tournament to be held this Saturday at the South Boston Boys' Club.

At the same time the club Swim Team took on and defeated the Woburn Boys' Club Team by a score of 107-39. To finish off the day some 80 fathers and sons visited the pool for the monthly Father and Son Swim.

If one cast an eye on this article the reader may draw the conclusion that this is all that visited the club, but please consider the other five-hundred members who dropped in and took advantage of the club's "open-door" policy. These members passed the day by playing in the games rooms, lounges, reading room, by tumbling, wrestling, mass games, swimming, diving, arts and crafts, riflery, woodworking and basketball.

Local Resident To Be Honored

The Private Charles J. Shutt Marine Corps League Unit of Watertown has announced that one of its members, State Representative Eleanor Campobasso of Arlington will be honored at the Award Luncheon of the De-

partment of Massachusetts, Marine Corps League for her work in aid of Veterans.

The luncheon will be held at the Stephen James House on Davenport st., Cambridge, Feb. 15, at 1 p.m.

Other members of the State Government who will also be honored at the luncheon for their work in behalf of Veterans: Governor's Councilor George Cronin, Congressman Thomas Lane, and State Representative William Hogan.

These people are the ones who have enabled the Veteran to get legislation that was advantageous to him. There will be further publicity in regard to the event, but this advance notice is being sent out so that all will remember to reserve this date—Feb. 15.

More than 4,250,000 World War I and II veterans will receive \$236 million in dividends on their GI insurance policies during 1969.

AHS Girls Win Pair of Games

The AHS girls' basketball team scored two more victories this past week defeating Stoneham 42-18, and Watertown 55-17.

In junior varsity action the Arlington team also continued undefeated with a 23-13 victory over Stoneham J.V. and a 28-19 victory over watertown J.V.

In the game against Stoneham on Jan. 16 Ginny Barnaby turned in one of the finest individual performances by an Arlington player in recent years. Not only did she lead all scorers with 18 points but her efforts on defense were immense.

She blocked and then stole at least a dozen passes from the Stoneham defense as they attempted to get the ball to their front court.

Statistics kept by the players on the side line credited Ginny with 15 rebounds and three assists to indicate a good day's work for the senior co-captain.

Eileen Abruzzese was runner-up to the leading scorer for the third consecutive game as she tossed in 11 points. The defensive work of juniors Elaine Cooper and Jeanne Hayes must get much of the credit for holding Stoneham to a maximum of two field goals in three of the four periods played and only one field goal in the second quarter.

Watertown visited Arlington on Jan. 17 and felt the power of the AHS offense as the girls coasted to a 56-17 victory. Co-captain Debbie Getrost passed her previous high of 20 points as she scored 24 on 11 field goals and two foul shots in just a little more than three periods of action. The jayvee finished the varsity game and for the second time in four games had a shot at breaking the team record of points scored in one game. Against Melrose they fell three short while the record of 55 points was tied in the Watertown game.

The girls travel to Winchester, Jan. 23; to Lexington, Jan. 28; to Brookline, Jan. 30; and to Newton South, Feb. 4 before finishing up at home, Feb. 7, against Belmont.

Belden and Snow Celebrating 40th Year of Business in Arlington

The first location of the Belden and Snow store in Arlington. This men's store was opened in 1928.

Belden and Snow, Arlington's popular men's and young men's store, is celebrating its 40th year of business in Arlington. The owners are noting the event by a store-wide sale starting today and continuing for fifteen days through February 5th.

The firm of Belden and Snow started operations in Somerville in 1902. A second store was opened in West Somerville in 1918. The Arlington branch, then at 639 Mass. ave., was opened in 1929.

Both Somerville stores are now closed. In March of 1962 Belden and Snow moved to enlarged quarters at 665 Mass. ave where the store was completely remodeled and de-

signed for easier and more pleasant shopping for its many customers.

The new and larger store has made it possible for Belden and Snow to add new departments and to carry larger stocks of its already established lines.

In its efforts to keep up with the trends in the ever-expanding young men's market, Belden and Snow has a carpeted area where the high school and college age group may shop for the latest in their fashion needs.

The staff at Belden and Snow includes Norman Belden, President; Andrew DeFrancesco, Manager; Leonard Collins, John Lang and Walter Hauser.

The present location of Belden and Snow, at 665 Mass. ave.

A complete line of clothing is one of the many things that make Belden and Snow the favorite shopping spot for both men and boys.

President Norman Belden, left, and Manager Andrew DeFrancesco, right.

Members of the staff at Belden and Snow, l. to r., Leonard Collins, John Lang, and Walter Hauser.

Clothing arranged in meticulous order is one of the trademarks of the Belden and Snow store on Mass. ave.

A THOUGHT TO REMEMBER

By JOHN A. WALKINSHAW

In both the Jewish and Christian doctrine of morality, of goodness versus sin, we accept the teaching when we do wrong against man, we also sin against God. In today's world, different and strange concepts claw society's acceptance of morality as it was taught to us. There are those who say crimes against the state are the only sins for which man is intransigent. Even some educated sociologists and psychiatrists who profess a belief in an Almighty theorize misbehavior is primarily a social disorder. Too many people seem willing to alibi or excuse wrong thinking, wrong behavior of man against man.

Somewhere, somehow, these people have discarded eternal truths. Our Old and New Testaments teach us wrong thinking and wrong behavior can and should be restricted and rejected by each of us individually. For those who would substitute old thinking with new, it may be a sobering thought to remember that on the Day of Redemption, each of us must face judgment individually for our individual conduct.

The Good Book existed long before the 20th Century. So it will be useless to rely on, or plead for mercy on some mistaken 20th Century concepts of right and wrong. JOHN A. WALKINSHAW, SAVILLE, INC. FUNERAL SERVICE, 418 Mass. Avenue, Arlington, 643-1634.
